### **ANZ Royal continues to give back to the community**

ANZ Royal marks 10 years of giving back to the community with a donation of USD10,000 to Kantha Bopha Foundation and 200 computers to partners including: Phare Performing Social Enterprise, Pour un Sourire d'Enfant, Passerelles Numeriques Cambodia and Enfants Du Mekong.

Grant Knuckey, CEO of ANZ Royal said: "We're committed to making a difference in the communities in which we live, through volunteering, donations and sponsorships throughout the country."

"Over the past 10 years, our staff have contributed more than 45,000 volunteer hours to 100 NGOs, where we have helped create opportunities for marginalised and disadvantaged youth. But we believe we can always do more," Mr Knuckey added.

In 2015 and 2016, ANZ Royal formalised a USD20,000 partnership with a local NGO to support education and provide inspiration for young Cambodians.

By 2016, ANZ Royal will roll out its flagship program MoneyMinded, a financial literacy program to build financial capability in our communities.

ANZ Royal is deeply committed to supporting communities. Through sustainable partnerships with local non-government organisations and charities, we are focused on enhancing education and employment opportunities for marginalised and disadvantaged individuals.
